LECTURES ON TWO GREAT ITALIANS

Dr. Raffaelo Piccioli Delivers Interesting Talk on Dante and St. Francis—Shows Their Views on World's Problems.

BOTH MEN GREAT PATRIOTS

Dr. Raffaelo Piccioli, Doctor of Literature at the University of Padua, and at present a professor at Smith College, closed the Myers Lecture Series for the year on Friday evening, April 23. Dr. Piccioli took for the subject of his talk the beliefs of Dante and St. Francis. By showing how these beliefs could be directly applied to the League of Nations, he threw an interesting side light on the World League question.

Dr. Piccioli stated that in Dante and St. Francis were centered the two different schools of culture existing during the Renaissance and growing out of the narraw beliefs of the Middle Ages. He showed how St. Francis believed that through the common people the best solution of the world's problems could be worked out to supplant the waning power of the church. Imbued with the firm conviction that in close contact with Nature the Italian people would find their spiritual expression, St. Francis labored incessantly toward this end. In the Italian poetry of St. Francis we find his creed poignantly expressed.

Believed in People

Dr. Piccioli pointed out that Dante, the one other outstanding figure of the period, possessed the same ultimate views as St. Francis concerning the salvation of the country, although Dante was a powerful member of the aristocratic class and the exponent of a culture differing from St. Francis's. Both men were intensely patriotic and were ardent contenders for the well-being of the Italian ideals. Though members of different classes, their fundamental views converged upon the great question of the present day, the real object of civilization. It was at this point that Dr. Picclioli brought out admirably the bearing of these ancient beliefs when applied to present day world problems. "The great energizing forces of all nations," said he, "while striving for the best solution of the current problems, become inevitably tangled up in the confusion of aims and ends. It is only by keeping the real aim of civilization at heart that the ideals of any nation can be attained, whether these ideals are those of Dante or of Wilson and Lloyd-George."

The annual spring dance of D. T. will be held Saturday evening at 8 o'clock in the ballroom of Hotel Utica. Foster's Six-piece Orchestra of Utica will furnish the music.

HAMILTON LIFE BOARD, 1919-1920.

TRUSTEES HOLD APRIL MEETING

Prof. Fancher and Mr. Russo Raised in Rank—Resolution of Regret at Withdrawal of Professor Rudd from Faculty.

NEW K. P. DATE FIXED

The Trustees held their April meeting in Truax Hall Saturday morning and transacted considerable business. Professor Paul A. Fancher was promoted from assistant professor to associate professor, and Mr. Joseph L. Russo was raised from the grade of instructor to assistant professor. The Trustees also authorized the appointment of two new men, one to take the place of Professor Robert B. Rudd in the English Department, and another to supplement the work of the same department. The Board also passed a resolution expressing a very high appreciation of Professor Rudd's work, and of sincere regret at his withdrawal from the Faculty.

The Psi Charge of Theta Delta Chi petitioned to be allowed to build on the college property just west of the President's house, and this matter was referred to the committee on grounds.

Among the plans for Commencement was a suggestion that henceforth all college exercises should be held on the Hill, and in this connection it was decided that the Clark Prize Contest shall be held Saturday evening of Commencement Week in the Chapel, at 7:30 o'clock. At this time the memorial to the Hamilton men who died in the service of their country will be unveiled. This memorial is in the form of a tablet, bearing the names of thirteen men, and will be placed in the Chapel.

College Mass Meeting and Dinner at Commons Hall Thursday, April 29, at 6 p. m. Mr. George H. Graham of New York City will speak.

HOOVER CLUB PLANS MASS MEETING

College Will be Addressed Thursday Night in Commons Hall on the Subject of Herbert Hoover for President.

FACULTY MEMBERS TO SPEAK

The Hoover Club of Hamilton College has planned a new innovation for the Hill. A college dinner and mass meeting will be held Thursday evening in Commons to stimulate the political interest of the undergraduates. Mr. George H. Graham of New York City will be the chief speaker of the evening. Mr. Graham spoke recently before the Hoover Club of Lafayette College and was extremely well received. He is exceptionally well posted on Mr. Hoover's past record and is an excellent speaker. His address promises to be vitally interesting to anyone who seeks information on current political issues. Professor Wood and Professor Bonham will each give a five-minute address on some particular phase of Mr. Hoover's qualification as a presidential possibility. The entire Faculty is expected to be present, as well as visitors from Utica, Clark Mills, and Clinton.

First Step in Campaign

This mass meeting is the first step in the campaign which the Hoover Club adopted at its last meeting. The College will shortly receive other surprises, for the twenty-two members of the Faculty and the one hundred undergraduates who signed the resolution to support Hoover have formed an organization which aims to establish locally a more intelligent understanding of the merits of the presidential candidates. To this end, a large bulletin board has been erected on the south side of the entrance to Commons, and the latest political news from periodicals and newspapers will be posted there for inspection.

CHARLATANS GIVE PLAY IN ROME

Appreciative Audience Witnesses Presentation of "The Witching Hour"—Cast Does Very Effective Work

TRIP TO MONTCLAIR PLANNED

The Charlatans presented "The Witching Hour" before an appreciative audience in Rome last Wednesday evening. The weather was exceedingly bad, and as a result the auditorium of the Young Men's Christian Association, in which the performance was given, was only partially filled.

The play was perhaps never better handled by The Charlatans than on this occasion. Members of the audience, who had witnessed some of the previous performances of the Club this year, expressed the opinion that never before had the actors presented the play so well. There were none of the little breaks and slips that frequently interrupt the unity of effect and the course of the story in amateur performances. The characters paid a great deal of attention to the reading of their lines, and every word reached every part of the auditorium.

Stage Setting Difficult

The facilities offered by the hall for lighting and stage settings were very inadequate. Last year great difficulty was experienced in arranging the settings there. This year, as a result of the great progress which has been made by the organization in the matter of scenic and lighting effects, these difficulties were in a large measure surmounted.

The Rome Daily Sentinel commented in part on the performance: "One of the very best productions of the season. The performance of last year was of high order, and all the criticisms of the work done by The Charlatans this season state that they are exceeding the quality of last year's work."

The performance was given under the auspices of the Rome Free Academy Students' Association, to which was extended the use of the Y. M. C. A. auditorium by the officers of the latter organization.

Montclair Desires Performance

The Rome performance was intended to be the last production of "The Witching Hour." Negotiations are now being made, however, for a trip to Montclair, N. J., within the next week or two. The people of Montclair who desire the performance are very eager for The Charlatans to appear in that city. The officers of The Charlatans feel that this performance would be a fitting conclusion to a road season which has already surpassed in extent any which The Charlatans have had previously.

NEW ALUMNI ASS'N FORMED IN CALIF.

Senator Griffith, '86, Gives Dinner for Hamilton Men of Southern California — Alumni Association Formed for That Section and Officers Elected.

OLDEST ALUMNUS IS PRESENT

Senator Frederick W. Griffith, '86, gave a dinner April 13 at the Hotel Vista del Arroyo, Pasadena, Calif., to the Hamilton alumni of that section, for the purpose of forming a Hamilton Alumni Association for Southern California. Stephen W. Royce, '14, who was present, says in a letter to **Hamilton Life:**

"One of the objects of this Association will be to show to Hamilton graduates the possibilities that Southern California offers to young men just out of college. Compared with the Eastern States, this is a new country, the possibilities are unlimited, and opportunities for good business propositions come much more frequently than in the East. If Hamilton men who are just leaving college knew that out in California there is a real live Alumni Association which would help them to get started right, undoubtedly a number of them would come out to take advantage of the opportunities the country offers.

"The following officers were chosen: President, Hon. James McLachlan, '78, of Pasadena, Cal.; Vice President, Hon. Edward B. Root, '83, of Los Angeles, Cal.; treasurer, Rev. Leslie R. Groves, '81, of Pasadena, Cal.; Secretary, Stephen W. Royce, '13, of Pasadena, Cal.

"The following alumni were present: Rev. Norman A. Millerd, '47, (the oldest living Hamilton alumnus) of Long Beach, Cal.; John Gilbert Blue, D. D., '77, of Pasadena; James McLachlan, '78, of Pasadena; Edwin B. Root, '83, of Los Angeles; Charles C. Arnold, '85, of Riverside, Cal.; F. W. Griffith, '86, of Palmyra, N. Y.; Robert Black, '87, of Los Angeles; William T. Chapman, '03, of Orange, Arcadia, Cal.; Stephen W. Royce, '14, Pasadena; Thomas D. Burt, '95, Los Angeles; J. W. McNair, '10, of Los Angeles; Capt. Lee W. Felt, '14, of Arcadia, Cal.; Stephen W. Royce, '14, of Pasadena; K. R. McNair, '15, of Los Angeles; F. A. Griffith, '16, of Pasadena.

"There are in the neighborhood of about 50 Hamilton Alumni in the immediate vicinity of Pasadena and Los Angeles and there will be about 35 at the next dinner."

The Pasadena Evening Post of April 14, in its account of the dinner, says as follows:

"Perhaps the most remarkable feature of the evening was the presence there of Norman A. Millerd of Long Beach, oldest alumnus of Hamilton College and said by many to be the oldest college alumnus in the United States. Mr. Millerd graduated from Hamilton College in the class of 1847. He is 93 years of age, but very active.

"Mr. Millerd was born in a log house in which there was not a glass window or a single nail. His father, a veteran of the war of 1812, built the first sawmill in that part of New York State. This aged alumnus told many interesting tales of the early days of Hamilton College.

"There were about 20 present at the dinner last evening and stories of college days were the order of the evening. Former Senator Griffith, former Congressman McLachlan, and Dr. John Gilbert Blue were among those making longer talks."

—Herman S. Hulbert, '15, is now in the employ of the Peppers Cotton Lumber Company of Macdoel, Cal.

—At the Washington Alumni Dinner held on March 12, the following officers were elected: Lieut. Col. Fred M. Barrows, '07, president, and Ralph W. Stone, '99, secretary. Tufts, '72, Serven, '87, Church, '92, Johnson, '97, Stone, '99, Barrows, '07, Insley, '14, Keddy, '15, Lee, '15, and Hasbrouck, '18, were present at the meeting.

—Robert S. Thorne, '16, W. Stuart Holden, '17, and Raymond R. Dise, '17, visited the Hill recently.

—John H. Patton, '15, who was a recent visitor on the Hill, is now a member of the law firm of Patton and Patton, of Tonawanda, N. Y.

—John D. Henderson, '08, was recently mentioned in the Syracuse Post-Standard, as having an enviable war record. After training for three months at Camp Dix, New Jersey, he sailed for France January 4, 1918. He was in active service there for over a year and returned home July 5, 1919.

—Joseph J. Weber, '05, recently changed his address from 1 Madison Ave., New York City, to 22 E. Ontario St., Chicago, Illinois. Mr. Weber is Managing Editor of the Maternity Hospital Magazine.

—John R. S. Day, '76, of Clarendon, Va., is now on the staff of the Geological Survey of Washington, D. C.

—Clayton B. Weed, '17, is now a partner in the firm of Moore and Weed, Brokers, whose office is on Fifth Avenue, New York.

—Francis Sessions Williams, '81, died of pneumonia April 1st at his home in Brooklyn, after an illness of about two weeks. Mr. Williams entered Hamilton with the class of '81, and graduated as valedictorian, with a standing of 96 per cent. He then studied law in the office of Thomas S. Jones of Utica and was admitted to the bar in 1889. Two years later, he went to New York and was employed in the legal department of the Interborough Rapid Transit Company, which controls the subway, surface, and elevated roads in that city.

—Clinton Scollard, '81, has written a poem entitled "Tobbachanalian Days," which appeared in the issue of Life for April 15th.

—James M. Glass, '97, was the principle speaker at a conference of principals of Junior High Schools at Bridgeford, Conn., on April 15. Mr. Glass is principal of the Washington Junior High School of Rochester, N. Y.

—Louis N. Brockway, '17, has been appointed Advertising Manager of Scribner and Sons Co. of New York.

—C. Richmond Millham, '99, and family have returned to their home in Rochester, N. Y., after spending the winter in Florida.

The Debate Victories

The recent intercollegiate debating record which Hamilton's teams established by defeating Lafayette, Union, Rutgers, and Wesleyan, is one in which the College may well take pride. Hamilton College has never before participated in two debating leagues. Once, the College engaged in a triangular debate and, following that, debated with Cornell. The mere proportions of the debating work undertaken this year are a little out of the ordinary.

The debaters this year worked more independently than ever before. The Debate Council gave less criticism than in former years, and the debaters deserve high praise for the fact that the debating was entirely their own work. The speeches delivered by the Hamilton men showed that they had apparently mastered the subject and had labored hard to prepare convincing arguments.

This record in intercollegiate debating for Hamilton is a very creditable reflection upon the undergraduate debating work. It proves that the undergraduate speaking is of a high order, and that the debaters were able to adapt themselves to the various phases of a somewhat technical question. In several instances, the debaters opposing Hamilton lost in effect through not adhering closely to the question under discussion.

The colleges which the Debate Teams defeated were no mean opponents. They all have good debating records. It was no easy task to win these victories, and much credit is due the Debate Teams, the Public Speaking Department which developed them, and the undergraduates who supported them so loyally.

K. P. at Commencement

The Board of Trustees, at its meeting Saturday, approved the date for the Clark Prize Contest which the Faculty had recommended, Saturday night of Commencement Week at 7:30 o'clock. The Faculty made this recommendation after several groups of the alumni of the College had requested that the date be changed to Commencement Week. These alumni desired to be present at the Contest, but were unable to come for that event alone when it was held in Clinton.

There are several advantages resultant to the placing of the Contest among the events of Commencement Week. Many more alumni will be able to attend. The speakers will get a more interested and a more sympathetic audience on the Hill than in Clinton. The new plan will not compel the winning orator to write and learn a new oration for Commencement Day, as has been the rule in previous years. The speakers will have more time to drill for the Contest, which should improve proportionately the general standard of the speaking.

There are two objections to the change of date, neither of which should prove vital. The last official connection of the Hill with the Village of Clinton will be severed, but, since the best interests of the alumni are served, the change is advisable. It has been thought also that holding the Contest on Saturday night of Commencement Week would not leave sufficient time to permit holding the fraternity reunions on that evening. It would be possible to hold these reunions on Sunday afternoon or evening. With such an arrangement to take care of them, the remainder of Saturday evening after the Clark Prize Contest might be utilized for a campus sing.

The New Alumni Association

We learn with pleasure of the forming of a Southern California Hamilton College Alumni Association. The account of the dinner given by Senator Griffith, '86, to the Hamilton alumni of Pasadena, Los Angeles, and the surrounding section, for the purpose of forming such an association, shows concrete evidence of the Hamilton spirit of which we are justly proud.

During recent years, a number of Hamilton men have gone to the Western Coast and are now working there for the interests of Hamilton. The plans of the Association just organized, as outlined in Stephen W. Royce's letter, are a further evidence of a solidarity and a progressive spirit among the alumni of this college, all over the country, which promise much for the future.

CORRECTION

The Clark Prize Contest will be held in the Chapel at 7:30 p. m., Saturday of Commencement Week. The newly selected date was erroneously stated in last week's **Life.**

Spice o' Life

To a D. T. Neophyte

Have you any secrets, dear,
That you may impart to me,
Anything of vital import
Like—sh! a bid to ol' D. T.?

Have you searched among the ash heaps
For an ancient champagne symbol—
Do you drag a tiny cart,
And climb those trees, so nimble?

Are you furnishing the brothers
With the customary smoke
And wond'ring if they'll ever
Stop, before you're broke?

Have you bought a baby bonnet,
Perched it on your noble brow?
And don't you ever stop to think
What a fool you look like now?

If you haven't—what a error!
Oh, ain't I an holy terror?

—Hildegarde.

Mulford: "I understand that Bland is writing a poem for Lit entitled 'Ode to a Fair Lady'."

Kelly: "He'd be more competent to write 'Owed to a Bursar'."

"Tomper" Thompson says that he practiced walking across his back yard at home during vacation so that he'd be in form in crossing the campus when he came back on the Hill.

Supe (to Mulford, who has his feet on the seat in front of him): "Mulford, I wish you'd keep your feet on the floor and let a little sunlight in for a while."

Dr. Murphey: "And now, gentlemen, can you tell me where statistics originated?"

Johnson: "See Prex."

Barry: "Have you got a warning signal in front of your car?"

Moore: "Yes; it has the sign, 'Dodge Brothers', right in front."

Doctors Prescribe John's CASCARA Compound Tablets for Constipation

They have been prescribing them for years. Ask any prescription clerk... **John's Cascara Compound Tablets** are the ideal agent for overcoming habitual constipation. IDEAL because they contain no irritating cathartics which apply the whip to the intestines, weaken the system and end by aggravating the very condition they were intended to relieve.

The gentle, thorough, laxative effect of Johns' Cascara Compound Tablets is due entirely to Johns' concentrated and refined extract of Cascara Sagrada, the "sacred bark" of the Aztecs, who knew its value in correcting constipation—the source of so much sickness and discomfort.

They relieve flatulence, nausea, vertigo, water brash, constipation and loss of appetite. They remove greasiness and sallowness of the complexion. They are a most efficient remedy for bilious attacks and sick headaches.

A Johns' Cascara Compound Tablet taken at night insures in the morning a natural and complete evacuation of the bowel contents. The continued use of Johns' Cascara Compound Tablets can be nothing but beneficial. Price, 25 cents.

COLLEGE THANKED FOR HAMILTON AMBULANCE

Pres. Ferry Receives Certificate of Car's Service—Director Sleeper of American Field Service Sends Letter to Students.

CAR SERVED NINE MONTHS

President Ferry has received from George A. Flesh, ex-'18, of Piqua, Ohio, a Certificate of Service signed by Henry D. Sleeper, Director of the American Field Service, which operated as a volunteer ambulance corps in the Great War. This certificate is presented as a record of the service of Hamilton College Ambulance No. 635 and is an expression of appreciation of the generosity of the Hamilton students and faculty who made that service possible. Mr. Flesh, in the spring of 1917, carried on the correspondence relative to the purchase and donation of the ambulance and for that reason the certificate was forwarded to him.

The certificate, which is beautifully done in colored inks, bears the seal of the American Field Service Headquarters and reads as follows:

"Certificate of Service, 1914-1918. American Field Service in France to The Students of Hamilton College, Friends of the American Field Service, donors of Car No. 635, bearing inscription, 'Hamilton College.'

"Ambulance No. 635 left for the front May 16, 1917, to form part of Section Sanitaire No. 19. Attached to the 65th Division of the French Army, this section operated in the Argonne Sector, evacuating the poste-de-secours of La Chalade and Chardon; and in this section this ambulance completed a service of nine months with the French Armies.

"Henry D. Sleeper, Director."

Accompanying the certificate was a personal letter of appreciation from Director Sleeper to the Students of Hamilton College, with also the name plate of the ambulance, bearing the name of this college. This name plate will be preserved with the war relics of the College, and the certificate will be framed.

NOTED PIANIST ENTERTAINS

Madame Liszniewska Gives Concert at Home of Dr. A. P. Saunders—Is Famous on European Concert Stage.

A large number of students and guests from Utica were entertained last Wednesday afternoon by Madame Liszniewska, piano soloist, at the home of Dr. A. P. Saunders, Mme. Liszniewska played a Beethoven sonata, several pieces by Chopin, Schumann, and Debussy, and two specially selected Polish songs.

The work of Madame Liszniewska is of especial interest because of the fact that she is one of the American musicians who have won fame on the European concert stage. Marguerite Melville Liszniewska was born of Scotch-Irish parentage in New York City. When very young, she was sent to Europe to study the piano with Dr. Ernest Jedliszka in Berlin, and afterwards with Leschetizky in Vienna, soon becoming the latter's leading assistant in teaching and soiree work.

After her marriage, the home of Madame Liszniewska became the center for students and artists. During the first three years of the World War she was engaged in concert work throughout America, the proceeds of which she donated to the relief of the stricken Poles. The last three years of the war she spent in Vienna where she endured terrible hardships from the food and fuel shortage there. Madame Liszniewska has scored triumphs in Berlin, Warsaw, London, New York, and Chicago.

INTERCHURCH MEN VISIT THE HILL

Prominent Ministers Talk to Undergraduates on World's Need for Christian Leaders.

GIVE ILLUSTRATED LECTUR

On Thursday and Friday of th past week, Hamilton College came in touch with a movement which is making no little stir in the religious worl today. This is the Interchurch World Movement, in which thirty-two Protestant denominations have united. It is nation-wide in its scope, and has for one of its purposes the ridding of church work of much of its present inefficiency. It emphasizes the system of church finance known as the Every Member Canvass, which has been so successfully worked out in many churches, and also endeavors to prevent overcrowding in church and mission work. This is controlled by seeing that new churches or new missions are not started in districts that are already taken care of in that respect.

This, however, was not the aspect that was presented to the Hill. The visitation was made by a party of three men, Chaplain Roy N. Snyder of Ocean City, N. J., Rev. William P. Merrill, D.D., pastor of the Fifth Avenue Presbyterian Church of New York, and Rev. Courtenay H. Fenn, D.D., '87, of Union College, Peking, China, who is at present lecturing at Princeton. At the meeting on Thursday afternoon, Dr. Fenn gave a fifteen minute talk which showed a broad and statesmanlike view of affairs. His talk was followed by an illustrated lecture by Dr. Snyder, which showed opportunities in all parts of the world for social service.

Dr. Merrill, who gave an address in chapel Thursday evening, spoke about the type of man that the world needs today and will need during the next twenty-five years. Among the attributes which the leaders of tomorrow must possess, he mentioned skill, resourcefulness, ability to make life liveable, a kindly sense of humor, and a simple, real religion. In an informal talk at the close of the address, Dr. Merrill discussed the ministry as an opportunity for the college man.

The time usually occupied by the chapel exercises on Friday morning was given over to another talk by Dr. Merrill. He made a strong appeal to the men not to separate or grow away from the church.

The annual pledging of the D. T. Club was held on the morning of Thursday, April 15, when the neophytes who will form the active chapter of the organization next year were selected from the Freshman Class.

Because of various other meetings scheduled for the same evening, the meeting of the Hamilton College Outing Club, which was to have been held last Thursday night, has been postponed. All men interested in this club are urged to attend a meetin which will be held in the Sigma Ph Hall Wednesday evening, April 28, at 7:30 o'clock.
